Re: Li-02-04-21 and Li-02-05-21  
Perennial Stream: Meadow Creek and Roberts Creek

Dear Rae Lynn,

Thank you for your letter regarding my 310 Permits listed above.

Due to unforeseen circumstances, the projects planned with these 310 Permits were not able to be completed.

Therefore, I sincerely ask for another year extension for these permits to allow for their completion.

Thank you for your consideration,

*Steve Curtiss*
