

Li-09-07-25, Baisden, Pine Creek Amendment

I met with Don and Brian on 8/12 to review the 310 application and Don's suggestion, which I like, is that we clear 20-foot sections every 200 feet instead of the 100ft clearing on each 10-acre lot. We will hand clear, not disturb the soil and will not cut down any alder trees, only the thick brush.

Please let me know if you have any questions or would like any further clarification.
