**a. Lincoln Conservation District Permissive Medical Mill Levy**

- Staff reviewed the roll-over funds from FY 2019/20. Staff contacted Karl Christians< DNRC, regarding the amount of the proposed Permissive Medical Mill Levy for FY 2020/21 since we do have a fund roll-over. Karl informed staff the LCD should approve a monthly levy to maintain the mill levy, otherwise the board will need to begin the implementation again. Karl suggested a \$100.00 monthly mill levy. Staff reviewed the formula for cost per homeowner based on the home value.
- It was mentioned the new staff hire could be on the spouses health insurance.
- A Health Savings Account has a cap on the amount that can be saved per year.
- Tom Maffei recommended the supervisors present at the Regular Board Meeting the amount of \$100.00 per month for the Permissive Medical Mill Levy for FY 2020/21.

Meeting adjourned at 3:58 p.m.

Respectfully Submitted,
